## WARRANT FOR ANNUAL TOWN MEETING

---

### THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the inhabitants of the Town of Tilton in the County of Belknap, qualified to vote in town affairs:*

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 9th day of March next at ten o'clock in the forenoon, to act on the following subjects:

1. To choose a Town Clerk and Town Treasurer for a term of one year, one Selectman for a term of three years, one Road Agent for the ensuing year, one Trustee of Trust Funds for a term of three years, two Auditors for the year ensuing, and one member of the Park Commission for the term of two years.

2. To see how much money the Town will vote to raise for Memorial Day expense.

3. To see how much money the Town will vote to raise and appropriate for the care of Cemeteries.

4. To see how much money the Town will vote to raise for the use of Hospitals for the ensuing year.

5. To see if the Town will vote to raise and appropriate the sum of \$89.36 to obtain Town Road Aid from the State, the State to contribute the sum of \$595.70.

6. To see if the Town will vote to petition the State Tax Commission to have an audit made by the division of Municipal Accounting and make an appropriation to cover the expense of such audit.

7. To see if the town will vote to raise and appropriate the sum of \$352.00 which is 1/100 of 1% of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other towns in the Lakes Region.

8. To see if the Town will vote to raise and appropriate the sum of \$250.00 for Civilian Defense purposes.

9. To see if the Town of Tilton will raise and appropriate the sum of \$700.00 toward maintenance of the Winnisquam Fire Department for the year ensuing.

10. To see if the Town will vote to declare the entrance to the Fire Station a one way street, to be used as an exit only.

11. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title 11 of the Federal Social Security Act. (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$400.00 to defray the town's share of the cost thereof.

12. If the foregoing article is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Clerk as the officer to be responsible for the administration of the plan.

13. To see if the Town will vote to allow a discount on early paid taxes.

14. To see if the Town will vote to allow the Selectmen as agents of the Town to administer or dispose of any property acquired by Tax Deed.

15. To see how much money the Town will vote to raise for all purposes for the year ensuing.

16. To see what action the Town will take in regard to the reports of its officers and agents.

17. To choose any other officers or agents for the ensuing year.

18. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

19. To transact any other business that may legally come before said meeting.

THE POLLS SHALL BE CLOSED NOT EARLIER THAN 6 O'CLOCK IN THE EVENING. THE BUSINESS MEETING WILL BE HELD AT 8 O'CLOCK IN THE EVENING.

Given under our hands and seal this 6th day of February, A. D., 1954.

CHARLES W. PRESCOTT,  
MYRON L. MESERVE,  
CHARLES A. FRENCH,

## People Play a Vital Part in Our Forest Fire Problems

---

A review of the 1953 fire season proves the vital part people play in the never ending battle to prevent forest fires

In this fire district there were 133 fires in 26 of the district's 30 towns; 409 acres were burned over and it cost \$9,499.97 to extinguish them. This figure was reduced somewhat through payment of fire costs by persons responsible for illegal fires, fires which escaped from control and fires caused by their carelessness. Costs were abnormally high this year due to protracted periods of dry weather which increased the difficulty of extinguishing fires.

Eighty-eight percent of the 133 fires were man-caused and could have been prevented. They tell a story which needs to be carefully studied. Some people were careless in disposing of smoking material and camp fires; others burned without the required warden permit—disregarding weather, forest conditions and the normal safeguards recognized and considered by the warden in issuing permits. Other fires resulted from children playing with matches, carelessly handled fireworks, faulty railroad and truck equipment, etc.

These fires cost a lot to extinguish, most of which could have been avoided — this affects taxes; local business was interrupted by men leaving their jobs to extinguish the fires; trees that might otherwise have built houses, repaired bridges and supplied raw materials for local industries were destroyed; seedlings growth — the future timber crop was wiped out.

This picture can, however, be reversed if people who offend could be impressed with the importance

of observing the simple but essential common sense safe-guards that will prevent forest fires. They are:

1. Care in disposing of lighted cigars, cigarettes and matches in and near woodlands.
2. Care in selecting camp fire sites and completely extinguishing them.
3. Consultation with the local forest fire warden before burning to secure the required permit.

People play a vital part in our forest fire problem.

It is EVERYONE'S job to HELP PREVENT FOREST FIRES.

THOMAS J. KING,  
*District Fire Chief*

GLENDON LOCKWOOD,  
*Forest Fire Warden*

## ANNUAL REPORT OF DISTRICT NURSING ASSOCIATION

Fiscal Year January 1, 1953 to December 31, 1953

---

During this period the District Nurse visited the following:

	<i>Calls</i>	<i>Cases</i>
Non Communicable	2,012	365
Orthopedic	15	10
Prenatal-Postnatal New Baby	57	44
Office	109	55
Calls in Behalf of Health Service, Adult	109	75
Infant and Preschool	135	115
Baby Office Conference	86	71

There were 106 new and 329 repeat cases that were admitted to the nursing service and 61 new and 164 repeat cases under health service during the year.

The number of calls on infants and preschools were increased this year as they were made to interest parents in regard to the advantage of completion of the three inoculations that are necessary to completely immunize the child against diphtheria, whooping cough, and tetanus. The Toxoid Clinics were well-attended. Dr. Kathleen Robinson was the attending physician; Mrs. Joanna Carter, R.N., state preschool nurse assisting.

This type of nursing is an important one in preventative care for the preschool child and will bring satisfactory results in their future health. Appreciation is given to Dr. Kathleen Robinson for her interest and work at these clinics.

A total of ninety-four received complete immunization and 110 others were inoculated and hope to complete them at the Spring clinics. Sixty-one were vaccinated and twenty-one were examined. The clinics

were held in April, May, October, November and December.

Twenty-two trips were made transporting patients to clinics, hospitals, and specialists.

Mrs. Eleanor Ledoux, R.N., Miss Betty Taylor, R.N., and Mrs. Caroline Dorman, R.N. substituted for the regular nurse during the three months she was absent due to illness in the family. Mrs. Caroline Dorman, R.N. substituted during the month of August while regular nurse was on her annual vacation.

Miss Harriet Stone, R.N., school nurse, Mrs. Lurline McCook and the district nurse wrapped and distributed gifts to the usual large number of appreciative youngsters again this year. These gifts were given by the Rotary, B.P.W. club, and the Brownie Troop No. 2. The high school teachers contributed \$20.00 towards buying gifts.

The American Legion gave seven families a turkey dinner and a gift to each child in the family.

The Elks gave a generous Christmas dinner or the equivalent to about twenty families in Tilton and Northfield, also gifts.

The Salvation Army gave a dinner to a family of eight.

The District Nurse's hours on duty are as usual with office hours from 3 to 4 p.m. Monday through Friday excepting Wednesday or by appointment, and is in the office from 8:30 to 9 a.m. Office telephone 241; home telephone 228.

Again at this time of year I have the opportunity and wish to express my appreciation and sincere thanks for the whole-hearted support and genuine friendliness of the doctors, the District Nursing Board, and the individuals of Tilton and Northfield.

Respectfully submitted,

ALICE M. FRENCH, R.N.

13. To transact any other business that may legally come before the meeting.

H. HOWARD ALIEFF,  
ROY A. JORDAN,  
ARTHUR A. COVIEO,

*Firewards*

To the Inhabitants of Tilton and Northfield:

In closing the records of the Tilton-Northfield Fire District, we take pleasure in presenting to the citizens of the Precinct a summary of what has been accomplished, during the past year.

Three homes suffered serious damage during the year, two of the homes being located in Tilton and one in Northfield, all of them were partially covered by insurance.

Other calls on the Dept. consisted of chimney and brush fires.

A complete inspection program, was carried out during the summer, all homes and places of business, were covered and the Firewards wish to thank all of the above for their co-operation in aiding the Firemen in the performance of their duties.

The new pumper, purchased during the past year, has proven to be a very efficient unit, having a water capacity of 600 gallons. This unit is equipped with a portable pump of latest design.

Extensive repairs were necessary on the alarm system last year, including replacement of wire, painting of alarm tower, and the installation of new alarm boxes.

The Red Telephone System, installed to receive incoming calls to the Central Station has proven to be the solution to the problem of getting the engines to the scene of the fire, much faster than ever before possible with the old system, due to the fact that the line is always open.

An application for the installation of two vapor lights to be on West Main Street.

A new alarm box has been purchased by the Arthur S. Brown Co. to be located on the shop, and will serve

the Tilton Leather Co. as well as the above property.

In conclusion we wish to thank the Citizens, Town Officers and Firemen for their co-operation during the past year

Respectfully submitted,

H. HOWARD ALIEFF  
ROY A. JORDAN  
ARTHUR A. COVIEO

### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of Tilton-Northfield qualified to vote in district affairs:*

You are hereby notified to meet at the Tilton-Northfield High School in said district on the tenth day of March 1954, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
- 3-a. To choose a member of the School Board for three years to fill the vacancy arising from the expiration of the term of office of William C. Bayley.
- b. To choose a member of the School Board for three years to fill the vacancy arising from the expiration of the term of office of Alexander G. MacGregor.
- c. To choose a member of the School Board for two years to fill the vacancy caused by the resignation of Clifton N. Shaw on December 30, 1953, and which vacancy was filled by the School Board by the appointment of Ernest J. Decato to serve until a successor is elected at the Annual School District Meeting.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business which may legally come before this meeting.

Given under our hands at said Tilton this ninth day of February 1954.

## REPORT OF THE TILTON-NORTHFIELD SCHOOL BOARD

---

We have studied the finances of the school district carefully in the preparation of the proposed 1954-1955 school budget, with two purposes in mind, — the first to make certain that the children receive all the necessities of a good education, and the second to reduce any expenditures that are not necessary at this time so that the tax rate will not be increased beyond the ability of individuals, business and industry to support.

The taxpayers were told last year that the new school building would not increase the tax rate over two dollars. Your examination of the budget will show that the total requested for next year is \$191,715.35 in comparison with a total of \$179,973.55 this year or an increase of \$11,741.80.

The new school bond issue calls for a principal payment of \$7,000.00 and interest payments of \$2,025.00 and \$1,920.00 for a total of \$10,945.00, showing that the increase is really the payment of the new building. The taxpayers understood that there would be an increase and supported the new building with an overwhelming vote.

The new budget has been reduced \$4,000.00 for veteran's training. The veteran's training will end because of enrollment reduction.

It will be seen that the school board has really reduced operating expenses, since the item for insurance increases \$2,204.45 because of the new building and several three-year policies requiring renewal. The amount required for retirement has increased under state ruling by almost one thousand dollars.

We wish to express our deep appreciation for the excellent services of the members of the Building Committee, Mr. Gilman Lowery, Mr. Rudolph Prosser, Mr. Brackett Hill, and Mr. Burt Smith for their work in making this new building possible, and their sacrifice of time in the many meetings required to study finances, plans, specifications, and possibilities.

We wish to thank the Parent-Teacher Association for its cooperation with the school board, teachers and staff. Their support of the Scholarship Fund, the Room Mothers, and the Lunch Program have contributed to a successful year.

We thank the Rotary Club, the American Legion, the Chamber of Commerce, the Golden Rule Farm, the Peabody Order of Eastern Star, and the many individuals who have contributed funds and time to the grading and development of a baseball field at the Tilton-Northfield High School. This field will represent a monument to the cooperation of a community to improve the recreational facilities for youth. It is possible that other organizations may lend their efforts to other play facilities for the three hundred children at the high school.

We thank the Lions Club for its financial contributions, supervision and work at the Union School that have resulted in good drainage so that the children may be able to use the field all the school year. This improvement will be an asset to the small children and to the local softball league.

We thank the Golden Rule Farm for its recent contribution of \$560 which will be used later for some desirable educational purpose.

We have added one teacher in the proposed school budget to insure that small children will not have undesirable classroom loads that would injure education.

Suggestions for the continual improvement and advance of our educational system will be greatly appreciated. We realize that we are only the group selected to carry out the wishes of the voters, and that education in Tilton-Northfield will be the type that you decide by your appropriations and your support.

We suggest that you carefully read the report of the Superintendent since it shows what has been done in the past year and furnishes pertinent information.

We thank everyone who has contributed in any way to better schools by suggestions, assistance and encouragement

Respectfully submitted,

WILLIAM C. BAYLEY  
ALEXANDER G. MACGREGOR

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the Members of the School Board:

The past school year will always be remembered for the people of the district voting overwhelmingly to build an eight room elementary school, the recommendation unanimously made by the School Board and the Building Committee of Mr. Gilman Lowery, Mr. Rudolph Prosser, Mr. Brackett Hill, and Mr. Bert Smith.

### New Grade School

The annual school district meeting on March 11, 1953 voted 195 to 39 to erect a grade school and voted an appropriation of \$135,000.00 on a bond issue by 218 to 16. This vote represented the fine spirit of the people of Tilton and Northfield and their determination to properly house the children. The problem was the need of classrooms to place all pupils of Grades 1-6 inclusive in regular rooms with excellent teaching conditions.

The School Board and Building Committee selected Mr. Norman P. Randlett of Laconia, N. H. as Architect. Many meetings were held to review specifications and plans before final approval was given for the building of eight classrooms, health room, teachers' room, kitchen, and boiler room. The bonds were sold at a bid of 100.589 and a three per cent rate. The premium was \$794.15.

Bids were opened on July 21, 1953 and awarded to low bidders as follows:

General Contract—Hutchinson Building and Lumber Co., Concord, N. H. \$118,953.00.

Heating, Ventilation and Plumbing—Northern Heating and Plumbing Co., Laconia, N. H. \$26,384.00.

Electrical Work—Emerson Electric Co., Farmington, N. H. \$8,000.00.

Roofing—Hall Brothers, Berwick, Me. \$2,640.00.

Asphalt Tile and Linoleum—John H. Pray & Co., Boston, Mass. \$2,289.00.

The new school will house two hundred forty pupils. There will be three first grades, three second grades, and two third grades. A proposed cafeteria-activity room was eliminated when it appeared that the minimum cost would be \$28,000. It is planned to have all children purchasing lunches eat at the new school. There will not be an increase in the janitorial force since the building has automatic heat. One principal will serve the two grade schools.

### **New Textbooks**

The textbook improvement has been one of the major purposes in the two schools. New social science books were purchased for the elementary grades. New arithmetics were placed in the grades and junior high school to replace outmoded books. New high school mathematics books have been added. Two sets of encyclopedia and new dictionaries were purchased. Science books were made available to Grades 7 and 8.

The grade teachers and principal are studying various spelling books. The possibility of adopting a new basal reading system will be studied.

### **Testing Program at Union School**

The pupils of the first six grades have been tested by standard tests that show comparison with grades all over the country for two years. The tests are directed by Mr. Paul McIntire, Director of Testing, State University and he was assisted by the Union School teachers.

Miss Helen Draper, Principal, has conducted a testing program with the teachers during February. She is stressing the following in the goal of developing the best reading results possible in her teachers' meetings, teacher conferences and class visits:

- (1) The teaching of phonetics in all grades
- (2) Fewer reading sections or groups so that pupils read more often
- (3) Work on speech defects
- (4) The seating of children where they can see and hear to the best advantage
- (5) Diagnosis of the test results to improve each reading difficulty
- (6) Individual help to slow readers
- (7) Educational trips to library, fire station, post office, and railroad station
- (8) Encourage more home reading by children taking home reading books with exception of basic readers
- (9) Each pupil having a desk dictionary from the third grade through the sixth
- (10) Stressing comprehensive reading
- (11) Stress on punctuation
- (12) More reading emphasis
- (13) More use of reference books
- (14) Emphasis on starting reading immediately in first grade

Many magazine articles have questioned reading results in American Schools all over the country. Tilton-Northfield is making every effort to see that our children are not handicapped in high school and college by a sub-standard reading ability. Reading is the most important subject in the school and success in reading ability is necessary to really succeed in other subjects.

### **Tilton-Northfield High School**

Mr. Alton Currier, high school Principal, has introduced an activity period for music, dramatics, class meetings, student council meetings, newspaper, and clubs. The school day has been changed from six periods of classes, to seven periods and the activity period.

Home study as well as use of non-class periods for school study has been stressed.

Mid-year examinations have been restored to give pupils the experience for college and to help the teachers in their diagnosis of teaching results.

The school is attempting to increase the importance of hard study and hard work as the best training for life.

### **Americanization Class**

Miss Helen Draper, Union School Principal, is teaching ten residents of the district the speaking, reading and writing of the English language one night a week.

### **School Supplies**

Tilton-Northfield secures bids for all school supplies in conjunction with the other four towns of the supervisory union, resulting in reduced prices for quantity purchasing.

### **Finances**

The school district ended the 1952-1953 financial year with a balance of \$3,387.59, with all bills paid, and coal bins at both schools completely filled with coal paid for out of the unexpended balance. The State Tax Commission authorized the payment of \$2,025 due as interest on the new school bond issue on January 1, 1954 from this unexpended balance of last year.

---

The School Board has held regular monthly meetings and many special meetings on regular school business, and held many meetings with the Building Committee. The board meetings are operated in democratic fairness with all members participating in discussion before action is taken. The board members have been very cooperative with the administration and the teaching staff. The board is responsible for the establishment of school policies and has been very careful to study all sides of a question before legislating.

I wish to express my appreciation to the school board, principals, teachers, office personnel, bus operators, janitors, and cafeteria directors for the excellent co-operation during the past year. The School Board, Building Committee and all the citizens of Tilton-Northfield are to be congratulated for the building of an eight-room grade school in 1953-1954 and their support of the schools.

Cordially yours,

GORDON L. FOX
